

## SOUTH COAST INVENTORS NON-DISCLOSURE AFFIDAVIT:

While attending meetings of the South Coast Inventors either on site or electronically I, the undersigned, acknowledge that I may become aware of confidential intellectual property of others that is not fully protected from infringement. The date signed represents my agreement to adhere to this non-disclosure until a future date when I withdraw myself from the South Coast Inventors Group by sending an email to the current presiding President, notifying them of my withdrawal from this group.

With this in mind, I do freely and unreservedly promise that I will not, as an individual, or as a representative of a company or group, in any way, make use of, sell, divulge, duplicate or capitalize upon any idea or invention that is revealed during any gathering of inventors who have met for the purpose of disclosing and discussing unprotected information. This promise agreement is clear to me and fully understood.
